is a hilarious and funny game.. The snowboarding mostly works, though there doesn't seem to be a lot of correlation between
what way your horse is facing and whether you crash or not.. Its not to be taken seriously unless you are wearing a pumpkin
head while doing a 1080 because that is actually hard to do.. Fun game 10V10 would horse again You're probably thinking What
the heck is this?It's a game you must have! It brings me back to my childhood, playing snowboard games on my PS1.. Snow
