In the example bellow, the first line (of four) is in fact é but my program prints the first line and all the following lines. Any idea on how to avoid this? A: It is possible that the file contains UTF-16 encoded text, and that the program is reading it in as UTF-8 but not decoding the file properly. You might try this instead: var lines = File.ReadAllLines(@"myfile.txt", Encoding.UTF8); Mogadishu, Somalia, May 13, 2012 (AFP) - Somali Islamists said they had seized control of the airport in the Somali capital after fierce fighting with government forces and are in control of the city, a military officer in the new Somali government said Monday. The al-Qaeda-linked fighters seized the airports in Mogadishu and Kismayu on Sunday, with heavy fighting lasting into the night. "We have now liberated Kismayu and many suburbs around the airport," Ahmed Abdi-Rim, an aide to newly elected president Abdirahman Mohamoud Sheikh, told AFP. Somali government soldiers "are fighting against terrorists," Rahan Aden Abdullahi, a special forces commander, said. "We are now outside the airport." However, "terrorist forces inside have fired on government troops who are now in control of the airport and they have not given us access to the airport," he said. Abdirahman Mohamoud Sheikh was sworn in as president early Monday. He took the oath of office during a ceremony inside Mog
